Procedure Instruction Packet

Things to bring with you to your procedure:

- Please fill out and bring with you the Patient Information forms included in this packet. Be sure to fill out the Medication Form with all your medications, including over-the-counter meds and those you've stopped for the procedure. List the exact name, dosage, and number of times a day you take each medication.
- Please read (but do not sign or date) the Patient Rights/Financial Information, Procedure and Anesthesia Consent forms. You will sign these forms electronically at the Center on the day of your procedure.
- If you have a Power of Attorney (POA) or Advance Directive, you must bring a copy for our records to ensure your preferences are known. If you are currently acting as the patient's POA, you must accompany the patient to sign the consent form.
- If you use an inhaler for asthma or other respiratory condition, please bring it with you.

Points to Remember:

- **Driving is not permitted the day of your procedure.** Please make arrangements for a responsible adult to drive you home after your procedure. We request that your driver stay at the Center during your procedure. **You may not take a taxi or bus from the Center.**
- **Current medical insurance information must be provided to prevent errors in billing and avoid charges that you might otherwise have to pay.** It is your responsibility to update your insurance and referral information. Questions concerning your co-pays, deductibles, or coverage, should be directed to your insurance provider.
- If you are scheduled at the Endoscopy Center and have questions concerning your procedure or prep, please try to call the Endoscopy Center Pre-Call Nurse at (719) 785-3500 option 2 between 8:00 AM and 4:00 PM.
- If you need to reschedule or cancel your procedure, please call the office at 635-7321 and speak with the scheduling department.
